ABHI • BABY DRAGON • FLYING TIGER

ABHI is a vulnerable, distressed, hungry lonely baby. Initially he can't even speak.

That does not stop him.
He is determined to overcome all obstacles
and find his mother.

By the end he is a brave, strong, resilient
young Dragon.

ABHI

SEBA

SEBA is a cheerful, curious, and confident young Sabre-tooth tiger cub.

Yet when her limits are challenged, it takes Abhi's courage to spur Seba into exploring new and exciting worlds.

For her kindness in helping Abhi, Seba receives a magnificent reward beyond her wildest dreams.

ABHI: BABY DRAGON FLYING TIGER

**SEBA, a kind-hearted three-month-old Sabre-Tooth Tiger Cub, discovers...
ABHI, a one-week-old Baby Dragon, abandoned and alone in a cave in the mountains.
Together they determine to find Abhi's missing Mummy Dragon.**

**They meet many wonderful characters from myth and legend.
Their friendship becomes unbreakable as they traverse mountains, deserts, and seas.
Together, they inspire the world to change...
Here's how it happens...**

Seba persuades her Daddy Sabre-Tooth, SOLA, to talk to their Sabre-Tooth clan to help Abhi.

Dragons can eat Tigers.
Dragons are hunted by MAN.

The Sabre-Tooth clan does not want MAN coming to their forest. The clan refuses.

SABRE-TOOTH TIGER CLAN

It was MAN after all who killed Abhi's Daddy Dragon - a band of ruffian Dragon-Slayers.

ABHI: BABY DRAGON FLYING TIGER

**The Dragon-Slayers work for the Wicked King of the Six Worlds.
He eats dragon soup to boost his mystical powers.**

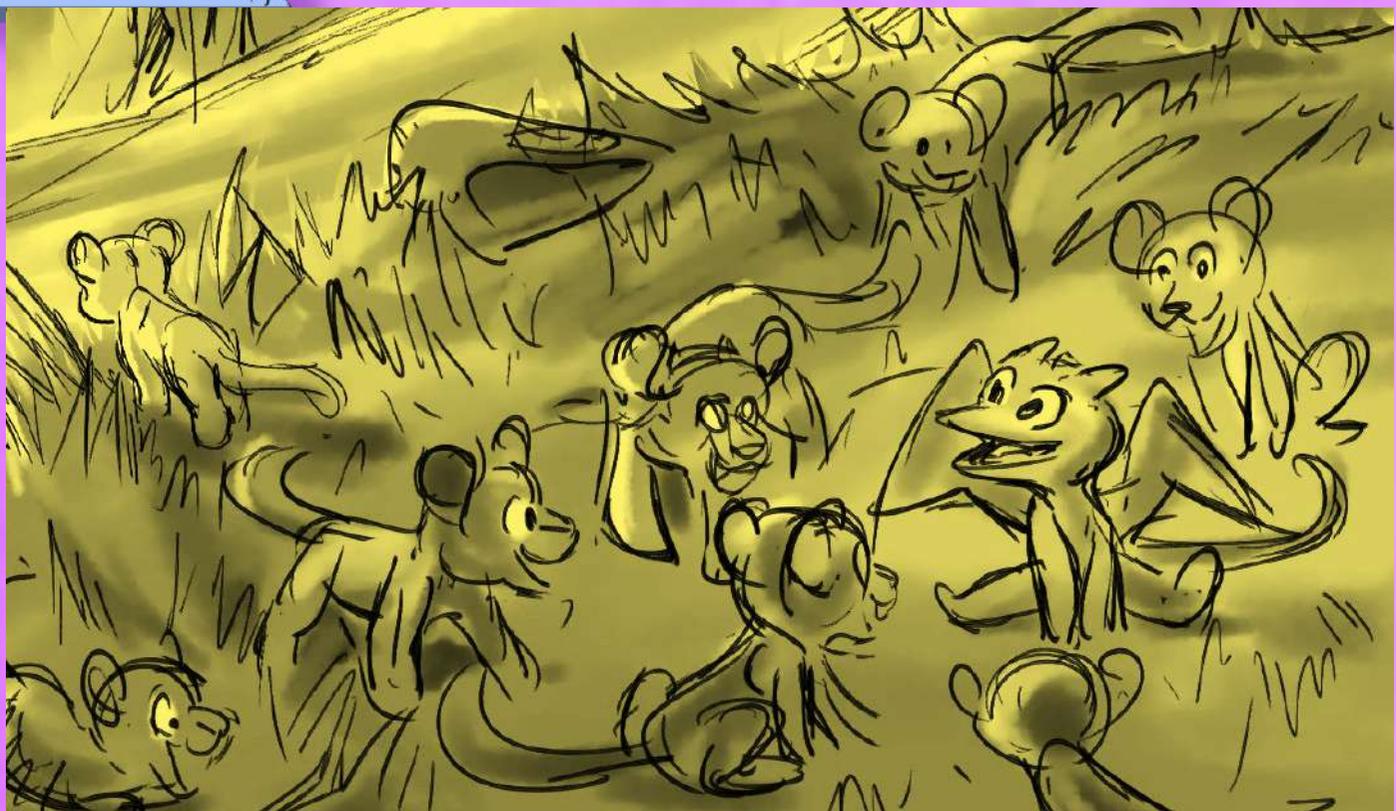

**He wants to challenge Hanuman for the Seventh
World. Not satisfied with his powers, he sends
the Dragon-Slayers to find more dragons.**

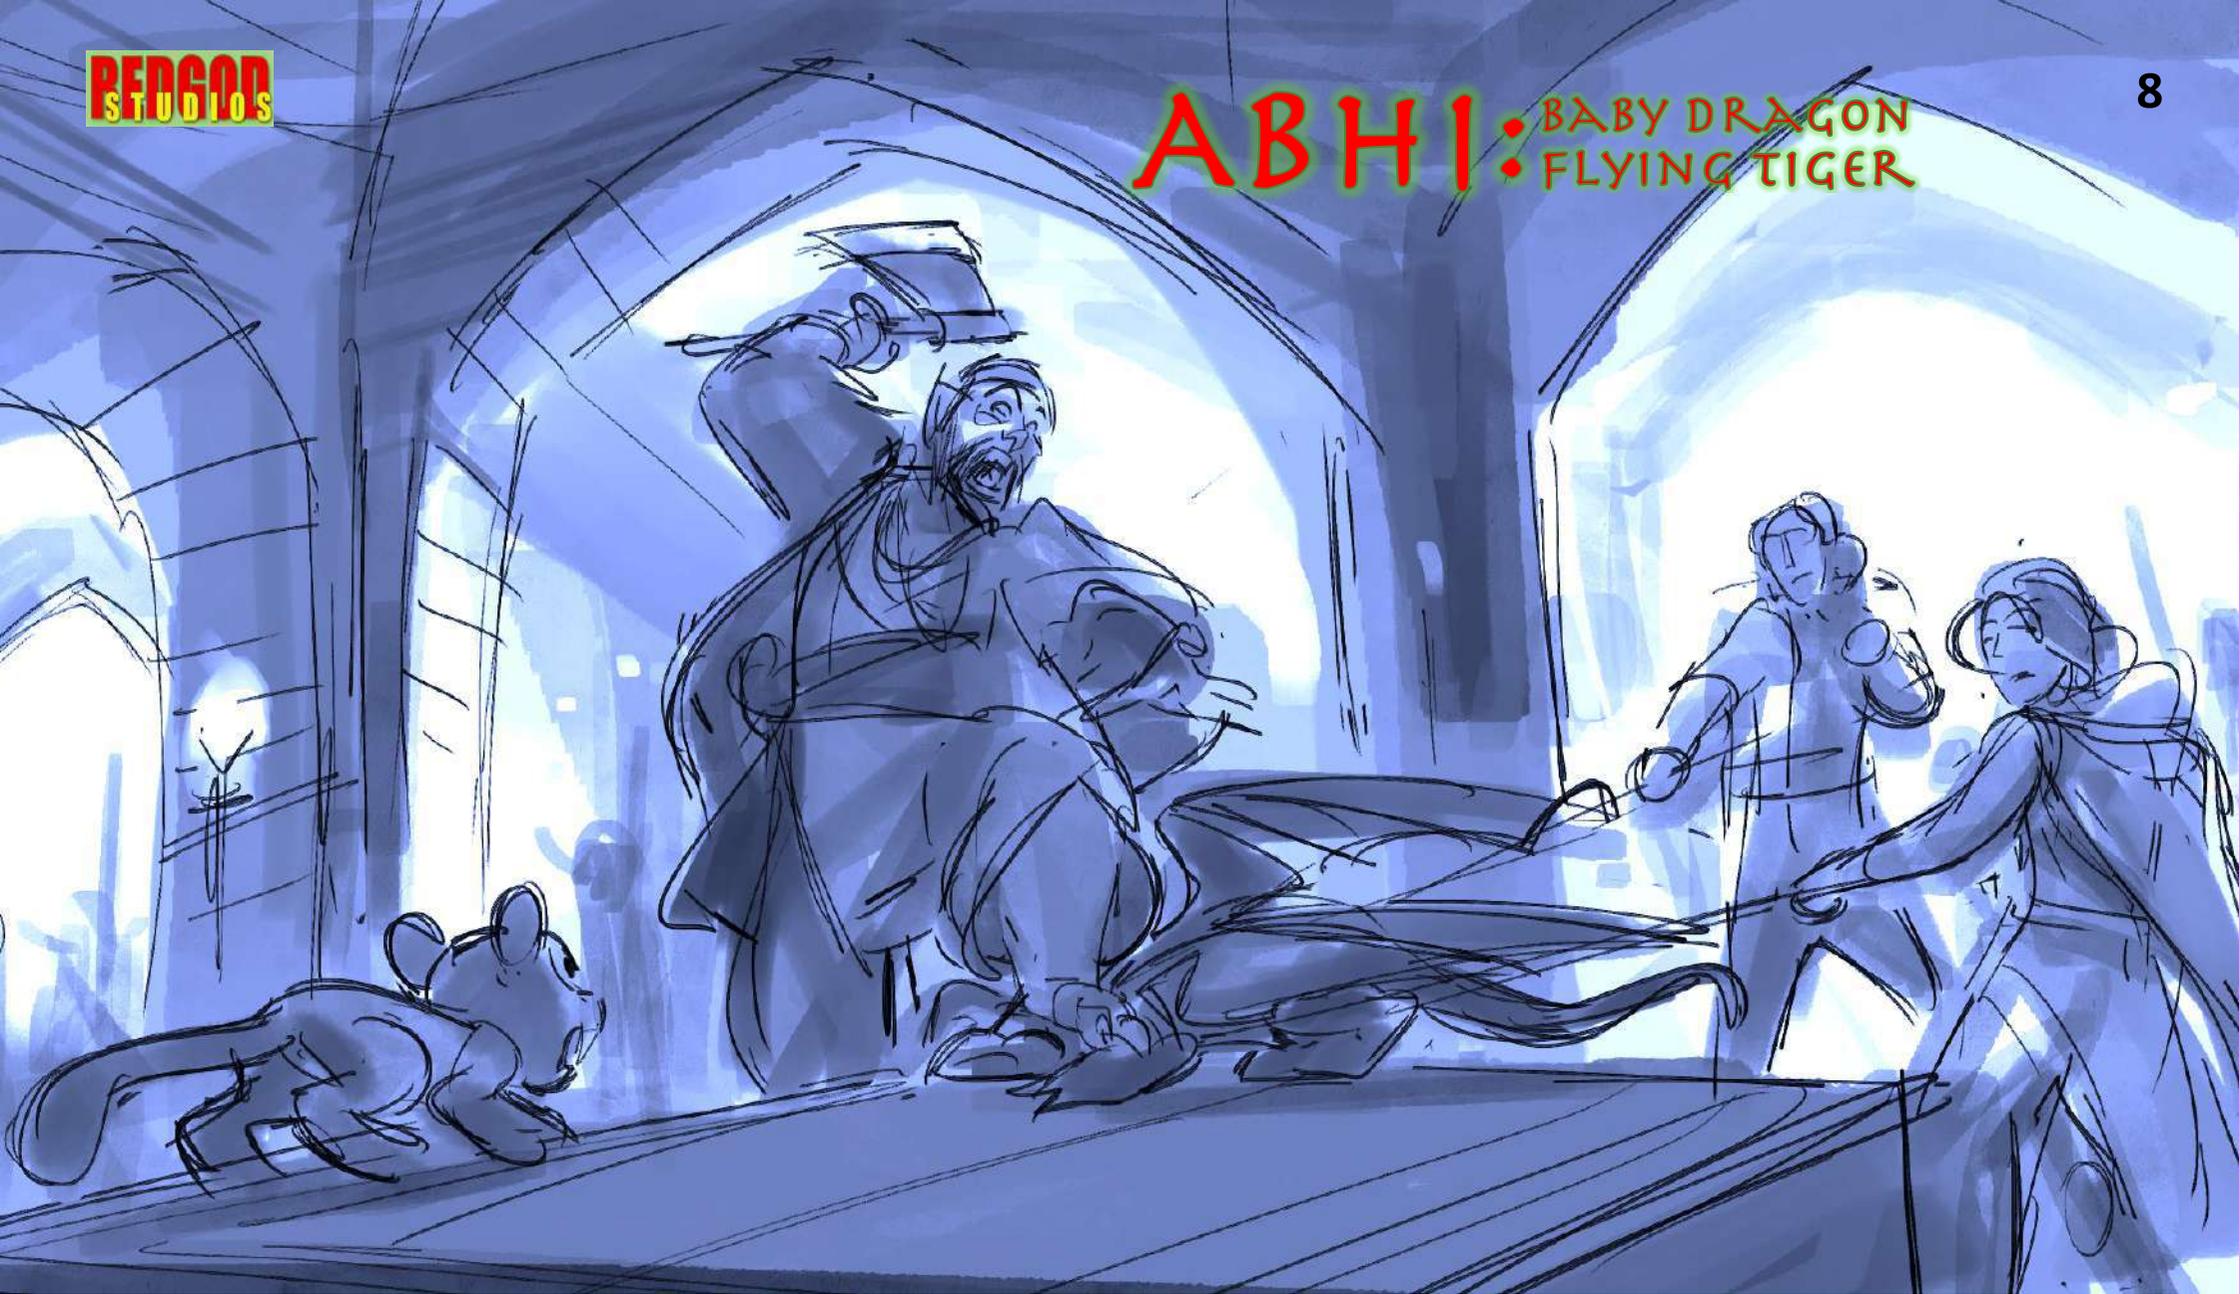

The Drago-Slayers set out to hunt... Abhi!

**Abhi was happy playing in the
Sabre-Tooth tiger cub creche.**

**Seba is angry with the Sabre-Tooth
clan for refusing to help Abhi.**

She returns with Abhi to his cave.

However... Abhi and Seba are captured by the Dragon-Slayers, and taken to the Wicked King, who wants to kill Abhi for soup... But...

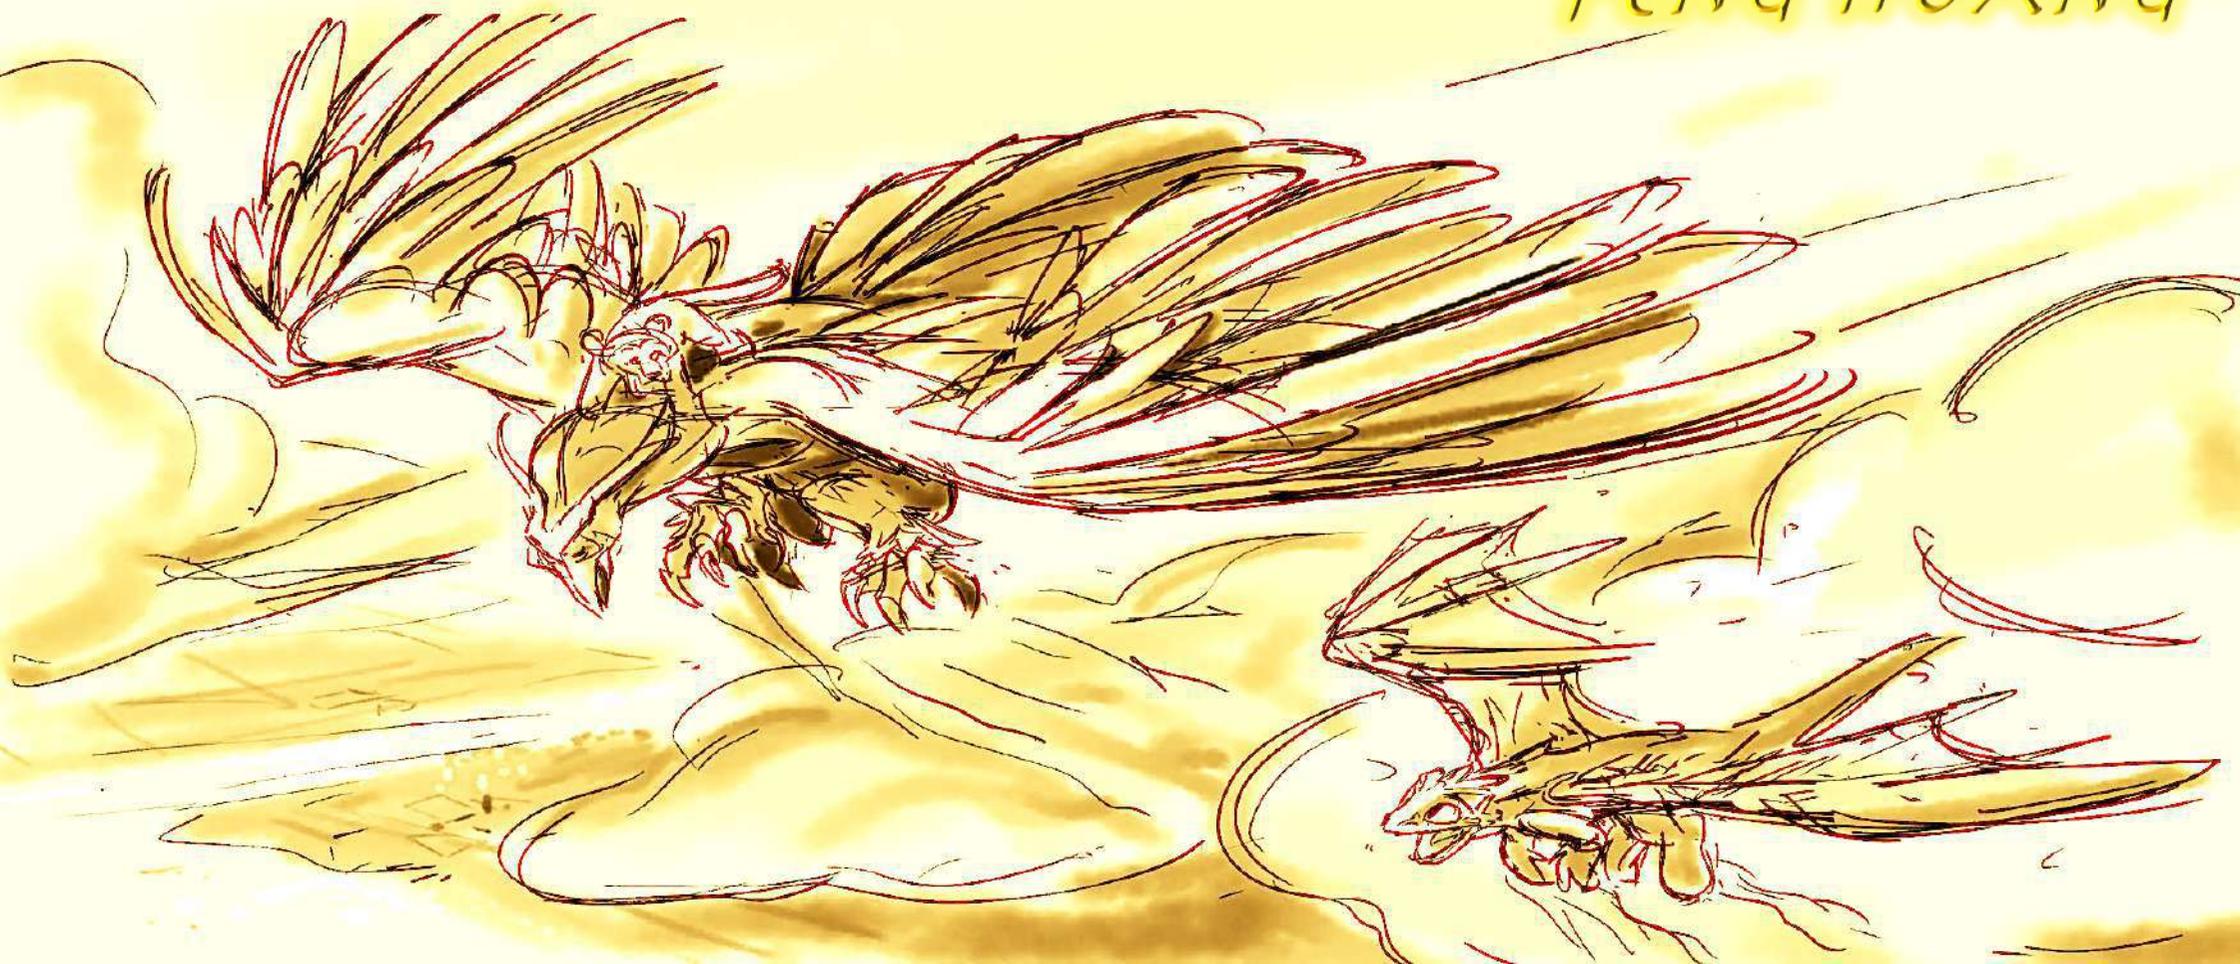

ABHI • BABY DRAGON • FLYING TIGER

Abhi and Seba escape!

They meet the slightly crazy, all-singing, all-knowing FENG HUANG. She teaches Abhi how to fly higher than ever, using air-currents to soar into the sky.

FENG HUANG

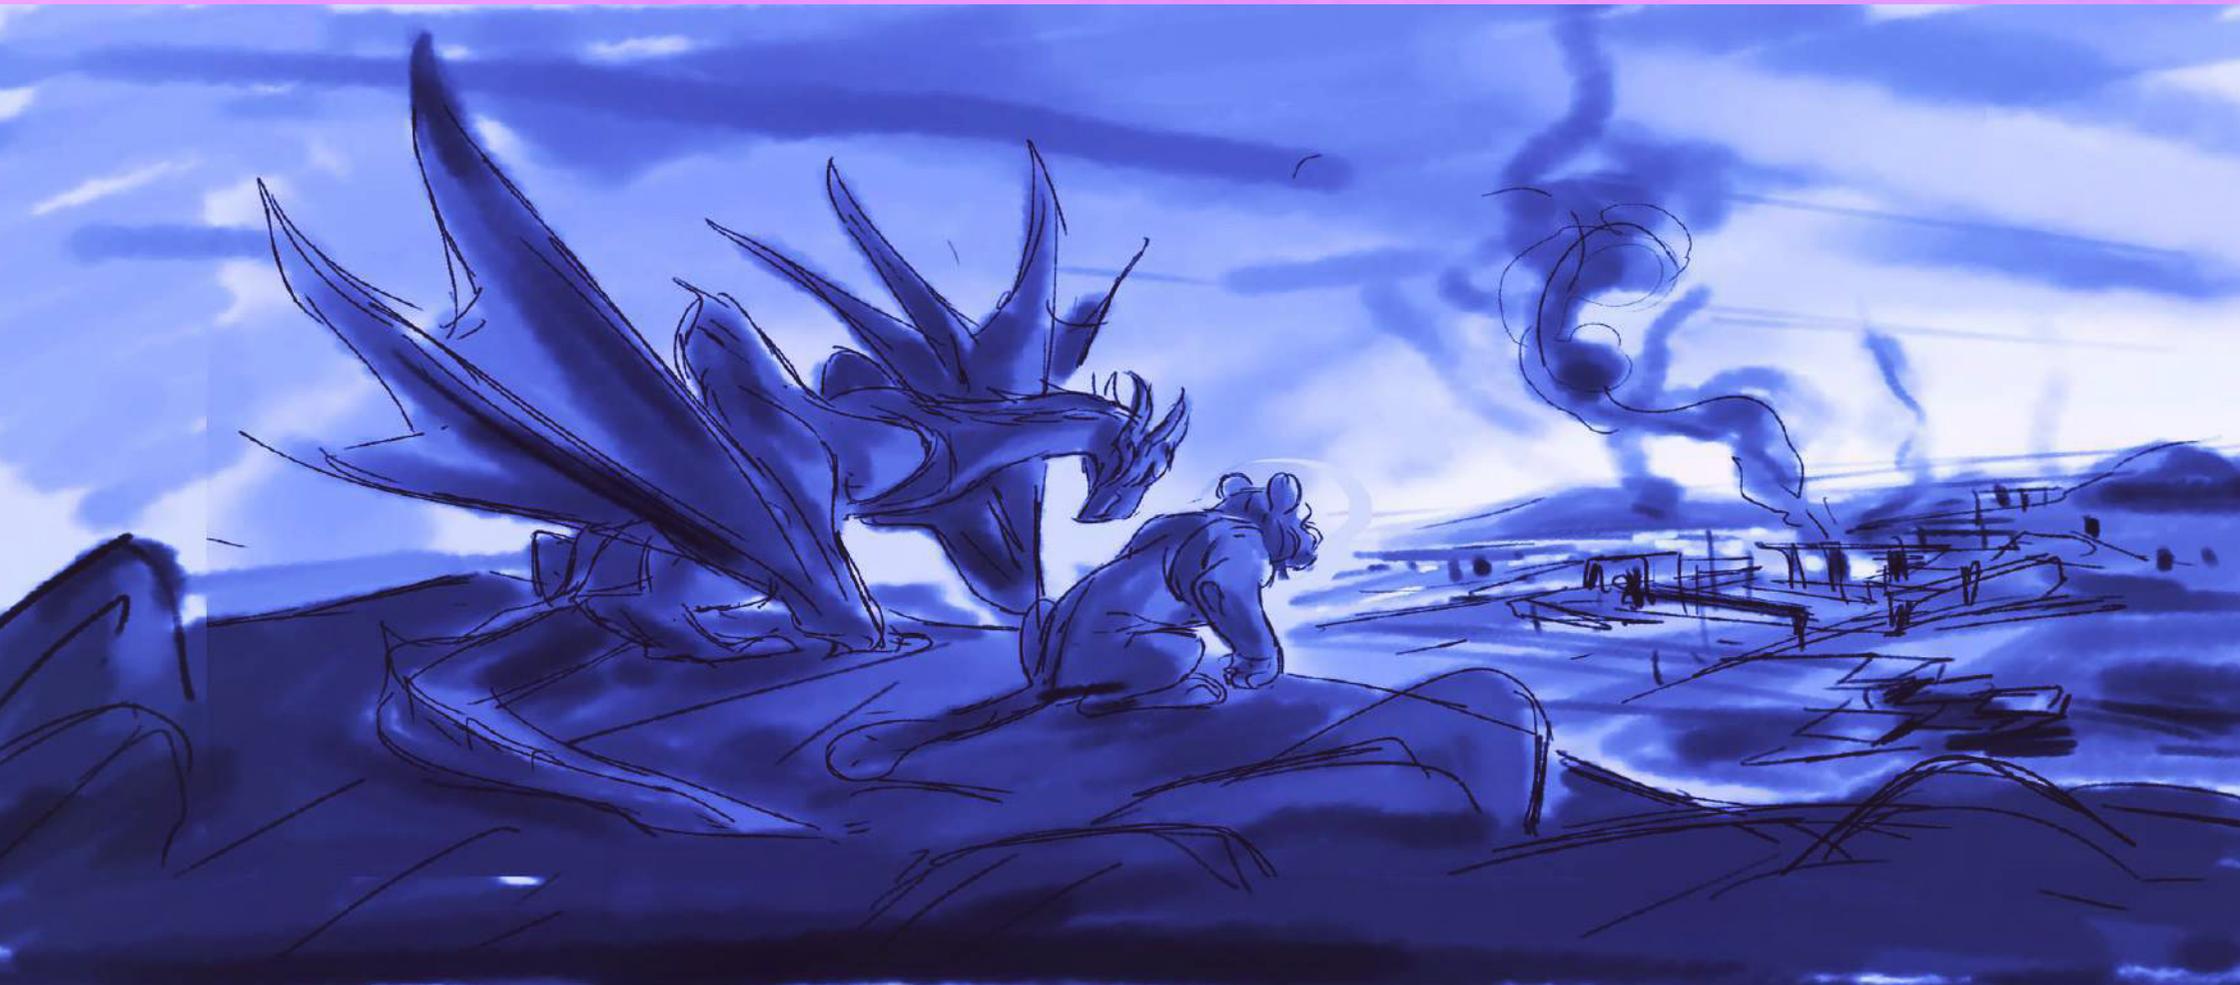

ABHI: BABY DRAGON FLYING TIGER

With these new skills, Abhi and Seba journey South over the mountains...
Through canyons, over waterfalls, fast-flowing rivers, and past forests full of gossiping Monkeys.

In the meantime, BIBI, Abhi's Mummy Dragon, returns to the Cave. She cannot find her baby Abhi. Instead, she meets Sola, Seba's Daddy Sabre-Tooth. They team up. Together they track their missing youngsters to the Wicked King's palace.

Believing their children to have been killed by the Wicked King, Bibi attacks the King's palace. That brings neither Bibi nor Sola any peace.

ABHI: BABY DRAGON FLYING TIGER

Refusing to give up Abhi and Seba fly all the way to the sea, where they have an audience with the Whales.

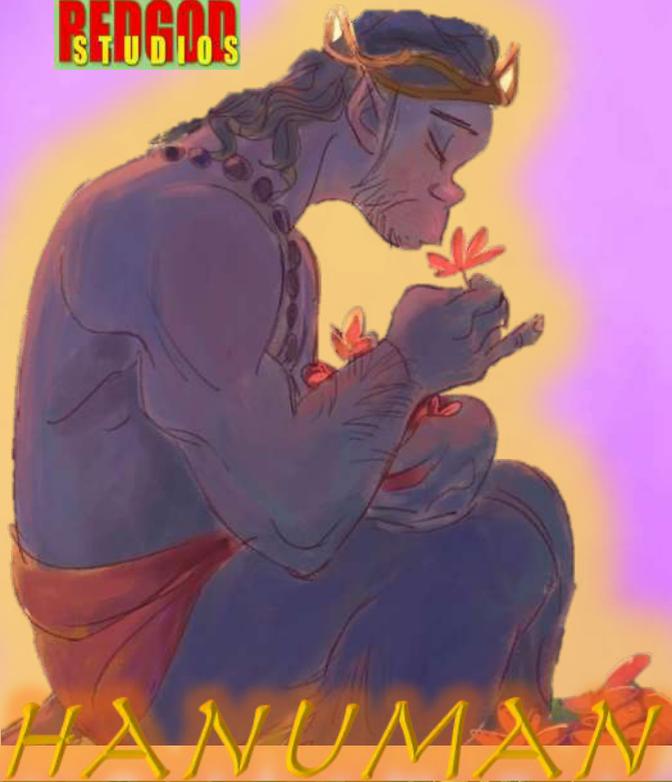

These beautiful, giant creatures ... inform Abhi and Seba... Hanuman has called all dragons to him...

...for a final showdown to save the Animal Kingdom from the Wicked King.

And that is where Abhi's Ma will be!

ABHI • BABY DRAGON • FLYING TIGER

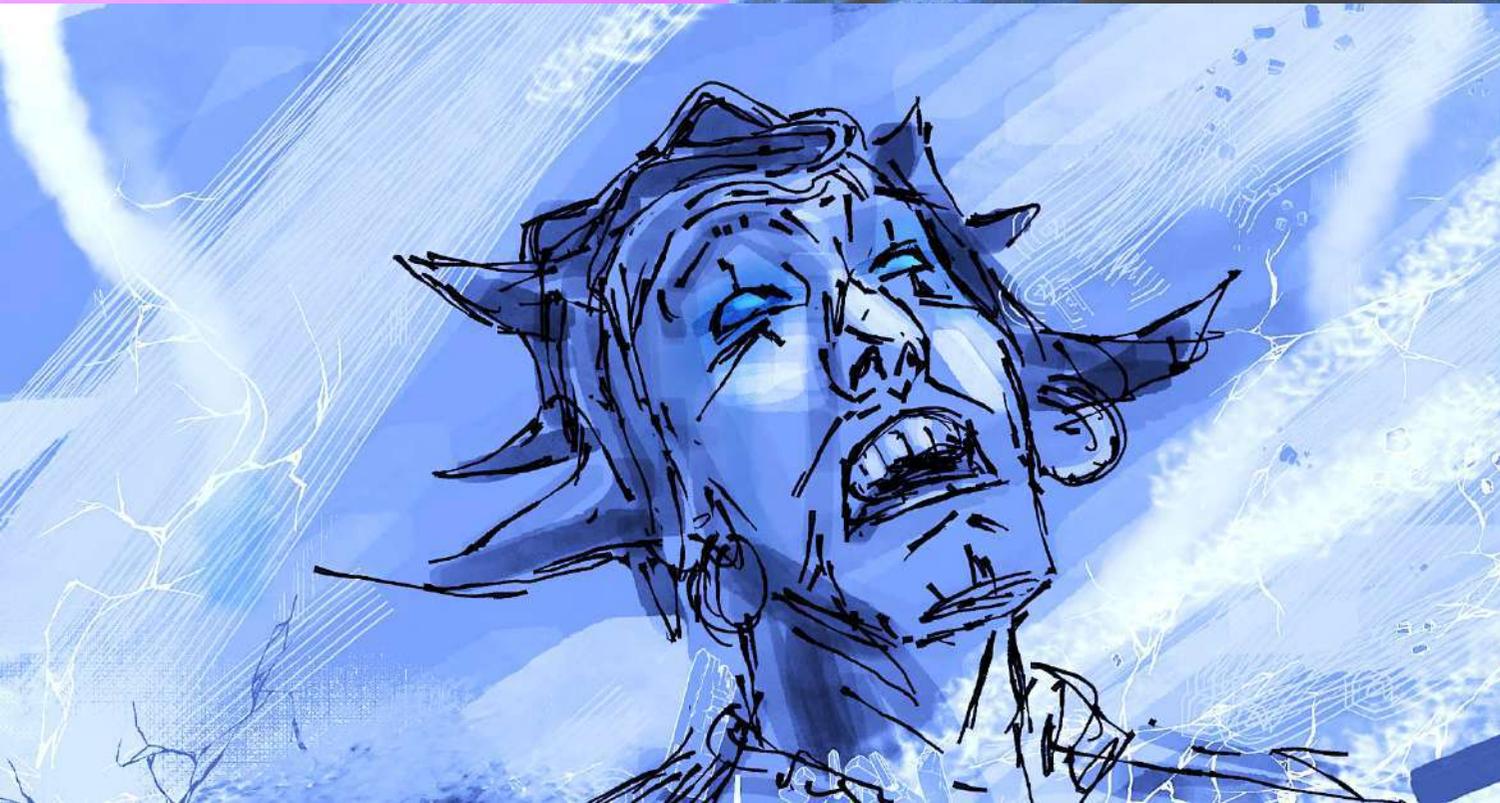

HANUMAN

**HANUMAN. We all love Hanuman.
Many know him as SUN WUKONG, The Monkey King.**

**Abhi's Mother has indeed journeyed to be beside
Hanuman, fighting the Wicked King's human hordes.**

The Wicked King arrives,
with the rest of his army
and the Dragon-Slayers.

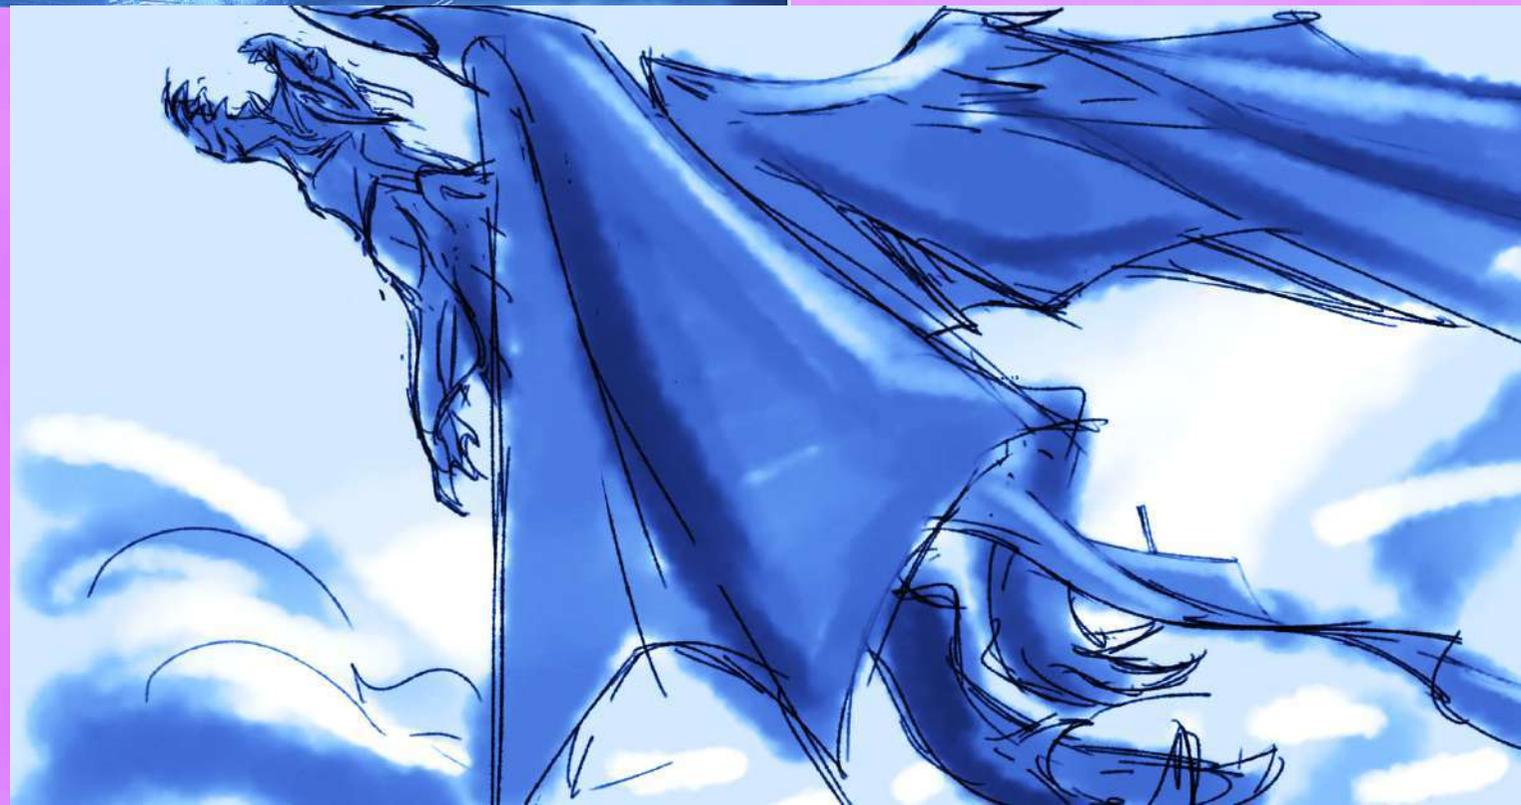

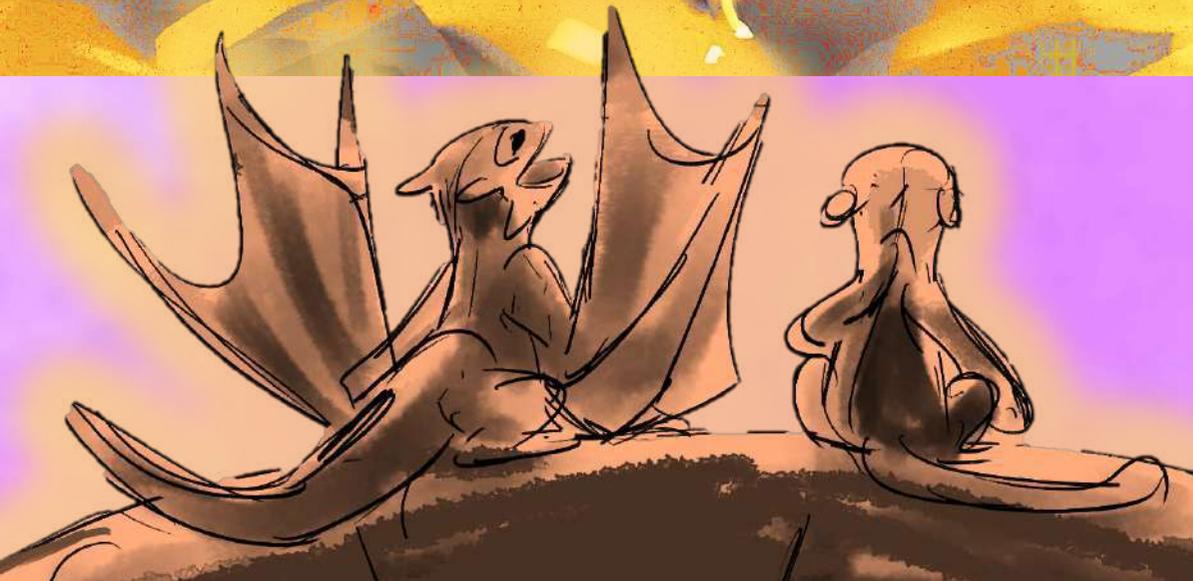

All that dragon soup.
With his inestimable
magical powers...

**...The Wicked King
transforms into the biggest,
fiercest, nastiest, horrible
vicious dragon.**

**The Wicked King/Dragon,
takes to the skies.
He attacks Hanuman and his
Animal guard.**

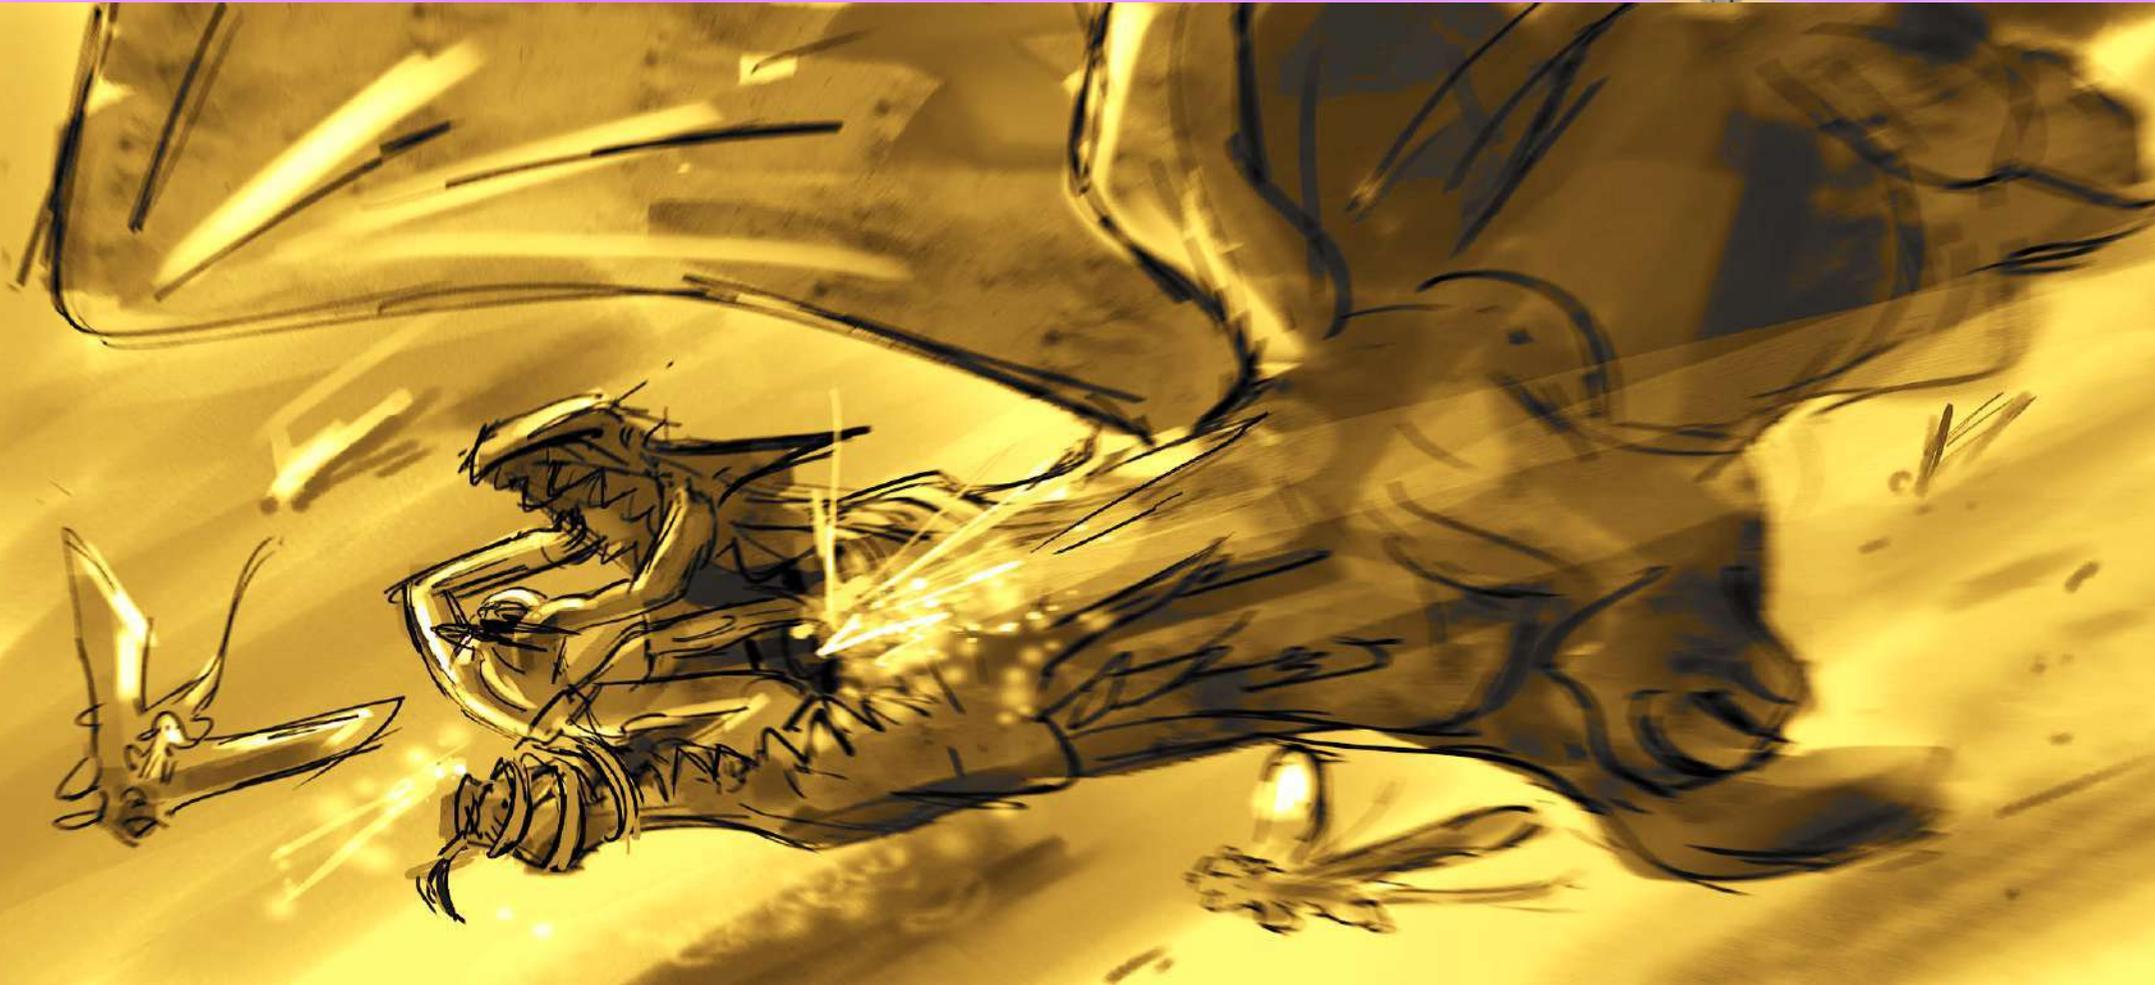

**Abhi and Seba arrive in time.
They watch the Wicked
King/Dragon and Hanuman
fight furiously in the sky.**

ABHI • BABY DRAGON • FLYING TIGER

For her kindness in helping Abhi,
Krsna grants Seba's wish to fly!

Abhi and Seba help Hanuman in the sky
against the Wicked King/Dragon.
They save the day... And the entire Animal kingdom.

ABHI: BABY DRAGON FLYING TIGER

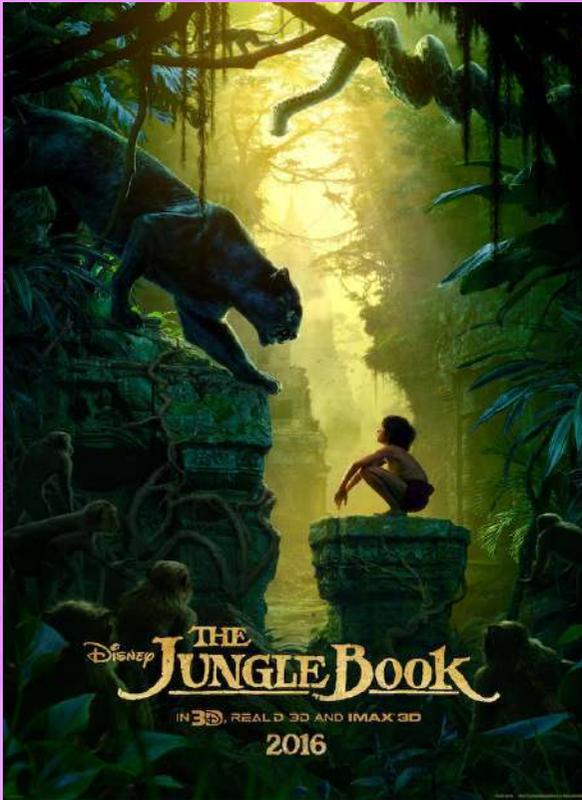

Abhi and his ma, Bibi, are finally reunited. Nothing could make them happier.

Except, with the King's remaining mystic magic, Feng Huang delivers one last surprise.
A blue Baby Dragon!

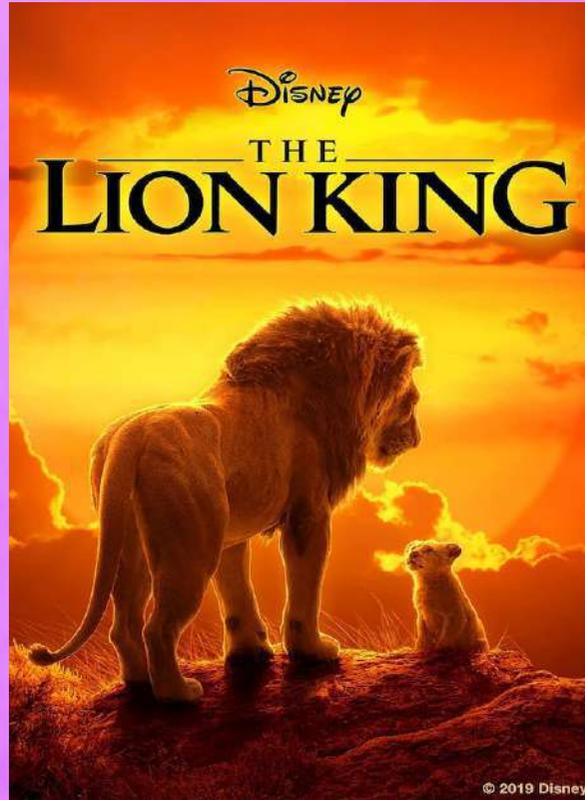

Happy at last, Abhi, Bibi, and blue Baby Dragon fly off together over the sea towards the sunset .

Uniquely, ABHI is set across India and China with an Indian and Chinese voice cast, directly targeting the world's two largest cinema markets—a combined 2.88 billion people representing 35% of the global population.

BABY DRAGON FLYING TIGER: ORIGINS

When my children were 3 & 6, they would improvise stories, one of which was: *A little Tiger finds a Baby Dragon, all alone, and helps it find some fish to eat. With their beautiful young imaginations, my two children would traipse off looking for fish... (and I'd get a 5-minute nap!)*

The baby dragon and tiger they created were adorable.

ABHI:

This is why ABHI is magical.

Because of my children, your children, everyone's children, and their wonderful imaginations.

This presentation offers barely a glimpse at the primary characters, and some of the story beats. There are yet many more beautiful characters people fall in love with. Even the secondary roles such as Cootha the Dog, Pigeons, Eagles, and hilarious Donkeys.

**ABHI: BABY DRAGON
FLYING TIGER**

**GOALS &
AMBITIONS**

The **GOAL** was simple – create a Story as marvellous as the classics we all love. Thus the relationship between Abhi and Seba is as emotional and interdependent as that between Timothy the Mouse and the baby elephant in the 1941 **DUMBO**. The songs and numerous animal characters are as life-affirming as the 1967 **JUNGLE BOOK**. However, **ABHI** is thematically as rich as **THE LION KING** and **HOW TO TRAIN YOUR DRAGON**.

Like these and many more beautiful films by Disney, Pixar and Dreamworks, generations will fall in love with **ABHI's** characters over-and-over again for decades. Set North and South of the

the Himalayas, into China and India, fused with elements of Indian and Chinese mythology, a unique, non-derivative, romantic, epic tale, the **AMBITION** now is also clear: **CREATE THE INDIAN NE ZHA 2.**
